Dear Counsel,

**Re: CHIEF GREGORY BURKE ET AL. v. AGC ET AL.
Federal Court File No.: T-2008-23**

Please be advised that the Case Management Judge (Crimson, AJ) has issued the following direction on today's date:

“The Court is in receipt of an informal request for an order that the service and filing of any statement of defence in this proposed class proceeding be deferred until a certification motion has been heard and determined. Prior to determination of such request the parties are reminded of the Notice to the Parties and the Profession titled *Class Action Judicial Protocols* which became effective November 8, 2019.

That notice confirms the Federal Court has adopted the Canadian Bar Association's Resolution 18-03-A “Class Action Judicial Protocol (2018)” (the “2018 Protocol”). Accordingly, the plaintiff is directed to comply with the 2018 Protocol, including paragraph 2 thereof which requires plaintiff's counsel to post the pleadings in this action on the Canadian Bar Association Class Action Database. The plaintiff shall confirm to the Court when the pleadings have

been submitted for posting on the Canadian Bar Association Class Action Database.

The parties shall also submit a proposed schedule to advance this proceeding to a certification motion.”

I trust this is satisfactory. Should you require anything further, please contact the Registry at (780) 495-4651.

Yours truly,

Lindsay Krieger
