By forwarding a copy of this memorandum to counsel, please advise counsel of the following:

““Following up on the June 29, 2022 Judicial Management Conference, please be advised that I will now be managing all four Petitions. Further to the submissions of counsel at the JMC, I have decided they should all be heard together over 10 days. Scheduling will be in touch with you to arrange another JMC to schedule the hearing dates and timetable for delivery of materials. Any advance progress you can make on those issues would be much appreciated.”
