Injectable bulking agent used in the management of
female stress urinary incontinence (SUI)

[VISIT WEBSITE \(HTTP://BULKAMID.COM\)](http://BULKAMID.COM)

Vaginal dryness is experienced by most women from
time to time, particularly during and after Menopause, or
when on medication. Zestica Moisture® is the new,
natural vaginal moisturising hydrogel that offers
immediate and lasting comfort and leaves you feeling
"natural" again.
